IMPORTANT

Hello dear Doctor;

We are contacting you because you were looking for a **better dental laboratory**. Here are few words about us:

- We offer the **FASTEST turnaround** time on the market – namely: **3 BIZ DAYS** for **Zirconia Crowns**; and **7-10 BIZ DAYS** for **Implants**.
- We provide the **HIGHEST quality** of dental restoration. Our Quality Control is managed by **Dominic Kim** (*40+ years of experience with implants specialty*).
- Our **prices** for **Zirconia Crowns** are reasonable and one of the **LOWEST** in California.
- We **DO NOT charge Rush Case Fees** and **Custom Shade Fees**. We accept **ALL SCANS**. We use only **FDA** approved materials **100% made in the United States**.

TRYOUT OFFER

TRY US: order two Zirconia Crowns, and get the next one FREE = (*three for the price of two*).

INVITATION

Dear doctor, we also would like to schedule a brief meeting in person with you, either at your office, or in our beautiful dental lab, to discuss how our highly skilled team can benefit you.

Call us: (916) 500-0737 to place the tryout order or to schedule a meeting with our team.

WHY QUALITY CROWNS

For decades we worked in other dental labs and observed the same repeating problems: low quality; neglected cases; use of cheap materials and old equipment; lack of qualifications and skills; delays; etc. Therefore, we gathered a team of best dental technicians, and invested \$500K into the latest equipment to finally open a modern dental lab **where quality is the # 1 Priority**.

Respectfully;

Quality Crowns, Inc
